

Want to help DC's most vulnerable children but don't know how?

*DC Lawyers for Children (DCLC) is an annual campaign to bring together members of the District's legal community to support children.*

If you are an associate, counsel, in-house attorney or simply care about protecting the District's children, join us.

Hundreds of lawyers already support DC's children—as staff attorneys, pro bono lawyers or those who are cheering from the sidelines wishing they could do more to help.
