## Holiday Hope Drive

In modern times, **Santa** comes in a car, not down a chimney (but the big **red bag** is still there). The Children's Law Center is nearing the end of its annual **Holiday Hope Drive**, which helps disadvantaged DC kids have a merry holiday season by allowing individuals or companies to "**adopt**" them: providing a gift, clothing item, and a holiday meal (above, a gift delivery). A new program donates **gift cards** to teens. Last year's drive helped **721** kids; this year, Latham is in the lead "adopting" **54 kids**. CLC's still looking for more **volunteer Santas**; those who want to share the wealth can sign up until **December 2**.
