About
Children’s Law Center

Children’s Law Center fights so every child in DC can grow up with a loving family, good health and a quality education. Judges, pediatricians and families turn to us to advocate for children who are abused or neglected, who aren’t learning in school, or who have health problems that can’t be solved by medicine alone.

We have served 30,000 children and families since 1996.

We reach 1 out of 9 children in DC’s poorest neighborhoods each year.

We have lawyers onsite at 6 health clinics across DC to help find and fix barriers to health.

We partner with more than 500 pro bono lawyers.

We partner with district agencies, the DC Council and community leaders to find or implement city-wide solutions that benefit all DC kids.
